

NPBA TRIPLE CROWN POLE FUTURITY

(NPBA TC)

Revised 10/21/19

WELCOME

The Triple Crown Pole Futurity Program is an exciting new stallion program intended to showcase and identify superior Pole Bending Stallions, Jr. Stallions and the stallion's foals. Our purpose is to elevate the pole bending industry and to encourage breeding to the Triple Crown Pole Futurity stallions.

The NPBA Triple Crown Pole Futurity Program will have a series consisting of four shows with a NPBA Triple Crown Futurity class at each show for 4 and 5 year old horses nominated in the NPBA TC. Each of the four series classes will have a \$500 added money to the class, plus a \$2500 side pot for NPBA members in good standing with a NPBA TC eligible horse in good standing. The sidepot payout will be a 3D format with 3 places being paid in the 1D - 2 places being paid in 2D and 2 places being paid in 3D.

An NPBA TC series award will be given to the top horse at the end of the NPBA TC 4 show series. To be eligible for the NPBA TC end of series award, the horse must be nominated in the NPBA TC futurity program and shown in 3 of the 4 shows. Only horses nominated in the NPBA Triple Crown Futurity will be eligible to participate.

Awards will also be given to NPBA TC top five stallions in 2020. In year 2020, the NPBA TC stallion awards will be capped at \$3000. The second year (2021), 60% of the NPBA Triple Crown Pole Futurity stallions will receive 80% of the stallion nomination money collected.
